Dear Daryl,

As you know, David is home! Thank you and Pat for your prayers. As you can imagine he is chopping at the bit and I want to help him if you can help me. The good news, my condo has gone up in value. The recent sales put my value at \$420 per square foot. My condo is 1,863 so it is worth around \$780,000. I owe \$329,177, so I have \$450,000 of equity. There are a lot of moving parts that perhaps you can help advise me.

It would be nice to talk about this with you if you have time for a call.

Thank you,

Kathy
